The PGA Golf Professionals at Turnberry GC are offering a 3-day golf camp for junior golfers ages 11-18 that desire to play competitive golf for their school golf team. This camp offers juniors the opportunity to hone their skills in order to be prepared for school golf tryouts on August 1. A strong focus will be on game management skill development while they play golf. Our goal is to fully prepare the junior golfer both physically and mentally for the fall school golf season. All three days will consist of instruction, lunch, and 9 holes of supervised on-course play. This camp is not intended for novice golfers.
